

29 October 2019

Dear Parents/Guardians of 2020 Grade 6 students.

Re: Commemorative 2020 Jackets and Polo Shirts

To celebrate the final year of primary school learning for the 2020 grade 6 students, our school is offering the “Class of 2020” a special uniform. The design will be different from previous years due to a change in supplier.

Green bomber jacket will include green sleeves with a yellow print of Grade 6 on one arm. The school logo and students first name will be embroidered on the front of the bomber jacket. The full names of all the grade 6 students in 2020 will be printed on the back in a new format.

Green polo shirts will also be available with the class of 2020 printed on the back. There is a limited amount of yellow polo’s available in Sizes 12 & 14.

Sample sizes are available at our uniform shop to try on for size.

As there will be only one order placed, we encourage parents to order enough items that will last their child’s growth throughout the year.

Please return your order and payment in full to the office no later than **Friday 22nd November** 2019 as we need to confirm quantities and sizes with the Supplier in order to receive the uniform within Term 1 of 2020.

Kind Regards
Cathy Piesley & Yvonne Hutton
