<b>Enter your reflective comments</b>	<p>We now have a whole school approach based around a consistent instructional model in the areas of Literacy, Numeracy and Inquiry Learning. Our staff plan in teams with a timetabled planning day for each year level each term. We have also developed a strong assessment schedule with teachers having ownership of the student's assessment. We use a data tracking system, Accelerus Light, which has been the vehicle for data discussion in our PLT meetings.</p> <p>We have undertaken the following Professional Learning in the past two years: CAFÉ Reading Strategies, Words Their Way Spelling, Numeracy with Rob Vingerhoets, Writing with Julie Shepherd, Peer Observation, Data Literacy, Questioning Techniques, Writing Moderation, Anxiety Disorders, Dealing with Traumatized Children, Data Tracking and Victorian Curriculum. Teachers have also made a significant commitment to engage with the opportunities provided by the Dandenong Ranges Network. In addition, the network has provided Educational Consultants to present on different aspects of instructional practice and our teachers have attended those.</p>
<b>Considerations for 2019</b>	<ul style="list-style-type: none"> <li>• consistent implementation of the whole school spelling program</li> <li>• a focus on targeted learning to extend students working above expected levels</li> </ul>

**Improvement Initiatives Rationale**

Whole school curriculum and assessment documentation is an essential element for school improvement. If we build teacher capacity in curriculum planning and assessment then teacher practice and student outcomes will improve.

Effective learning communities build strong student, staff, parents and community partnerships. If we build relationships and practices focused on strengthening learning, engagement and wellbeing then student outcomes and agency will improve.
